

THE ATTENTION OF INVESTORS

GRACELAND CEMETERY,

Is Called to the Property Recently Known as

Situated at the intersection of Maryland and Florida Avenues, H and Fifteenth Streets northeast, and Benning and Bladensburg Roads, Washington, D. C.

Only a small portion of this tract was ever used as a cemetery. On account of the rapid growth of the city in the immediate neighborhood, Congress, by an act passed August 3, 1894, prohibited the further interment of bodies, and vested the title in the five undersigned Trustees, who were empowered and directed to remove all bodies interred therein, and to sell and convey the said tract of land. The Trustees having removed all evidences of a cemetery, now offer for sale the entire tract comprising some 30 acres, more or less.

The area, the location, and the proximity to rapid transit, make it one of the largest and most desirable tracts now remaining unsubdivided within the city limits. Extensive retail business and residence properties exist immediately adjoining. Two of the main roads leading to the suburbs front the entire tract. The Columbia Electric Railroad and its continuation to Maryland and Chesapeake Beach extend along one of the fronts. Both the Pennsylvania and Baltimore and Ohio Railroads are within easy hauling distance for business purposes.

Sealed bids for the purchase of the entire property, marked "Proposal for Graceland Cemetery Tract," will be received until and opened at the office of the President of the Central National Bank of Washington, D. C., at 1 o'clock p. m., WEDNESDAY, JUNE 21, 1899. Each bid must be accompanied by a certified check for \$1,000, which will be immediately returned to the unsuccessful bidders. Terms—One-third cash; balance in one and two years, with interest at 5 per cent per annum, or all cash at the option of the purchaser. Deferred payments to be secured by first deed of trust on the property sold. The right is reserved to reject any and all bids.

For further information apply to the undersigned.

PROGRESS OF THE NEW CYCLE PATH

Wheelway to Great Falls Soon
to Be Ready.

The Fund for Its Construction Nearly
Completed.

A Meet for July 4 Projected—Club
Teams to Compete—Fast Local
Amateurs.

The work of conducting the cycle path from Angiers' Club House to Great Falls is progressing very favorably. For the past week a force has been engaged in grading the way for the path and making a good foundation on which to place the gravel and cinders.

Through the active efforts of the good roads committee of the local L. A. W. organization, which has the work in charge, more than \$750 of the necessary \$1,000 has been subscribed and paid to the treasurer.

At the present rate the path will be ready for travel in two or three weeks. When the wheelway is completed the District will have a twenty-mile stretch of good road over which long-distance races can be run. At the present time there are no thoroughfares for a distance of twenty miles which can be utilized for road racing.

There are good stretches for short distances, but no path or road in the proper condition to permit fast time for the long-distance races.

Washington has about as fast a lot of amateur cycle racers this year as any city or college in the country. The local boys have done some surprising work and have carried off prizes when it was least expected.

The Baltimore amateurs are afraid of their Washington competitors. Last Friday in the race meet held in Baltimore the local amateurs were unwilling to race against the Washington boys.

The result was that the handicapper, a Baltimore man, placed the Washington boys on scratch and gave the Baltimore riders the big handicap. Notwithstanding this, the local boys won.

The Park Bicycle Club is preparing to hold another meet at its track on the Conduit Road on July 4. The entry blanks have already been distributed and a number of local amateurs and professional men are expected to participate.

The card includes six events and more will be added as soon as the professional riders have been asked to participate. The prize for the District of Columbia championship, the prize being a gold medal valued at \$25.

A one-mile amateur handicap race will be run, the prize being a gold medal valued at \$25, \$15, and \$10. The fourth event promises to be one of the most interesting of the meet. It will be a ten-mile time trial race.

The professional riders who will be on the track, besides one or two teams from Baltimore, are the Arlington Wheelmen, the Mount Pleasant Athletic Club, the Arlington Wheelmen, and the Mount Pleasant Athletic Club.

SPORTING MEN GATHERING.

No Fiasco Expected in the Jeffries-Fitzsimmons Fight.

New York, June 8.—Sporting men are flocking into the city to the Jeffries-Fitzsimmons fight tomorrow night at Coney Island. Little parties of them came in on early trains this morning and more will arrive throughout the day.

These men are not alarmed over the talk of police interference at the fight. They believe that the fight will come off and that it will be a real one, in spite of Chief Devery's proclamation that he would stop proceedings as soon as a "bad blow" is struck or a knock-down occurs, and in spite of the cloud of dust kicked up over alleged political wrangling over the fight.

Mrs. Robert Fitzsimmons hopes to see Bob in the ring tomorrow night, and expects him to win. Though women in general are excluded from the scene of battle, the woman who cheered her husband on to the championship at Carson City last year is expected to be present.

At Coney Island in order to see him defend it. Bob is willing to have her there. She is as confident as he is that he will win.

FITZ THE "FRISCO FAVORITE."

California Bettors Are Backing the Brawny Blacksmith.

San Francisco, June 8.—As the time for the fight draws near, the crowds in the local poolrooms increase. Corbett's place has been crowded all day. Here as well as at the other sporting headquarters the talk favors Fitzsimmons, who is still a 10-to-7 favorite.

Jeffries Corbett is one of those who count on Jeffries to win. He said today: "I think Jeffries has a big show, but I think Fitzsimmons has everything in his favor, and is moreover an uncertain quantity. No one knows just what he is capable of. If he holds off as he did with Sharkey, he will be beaten, but I think Delaney will advise him to fight right in, and if he does he will put Fitz out."

The mutuals in the poolrooms are receiving heavy play. Men are betting that it will be a short battle, and Fitzsimmons, of course, finds the greater number of supporters.

TO CONFER WITH QUAY.
D. M. Burns Coming East for Advice and Assistance.

Sacramento, Cal., June 8.—A relative of D. M. Burns in this city is in receipt of a letter from him stating that he will go East next week to see what the Senate intends doing in regard to the seating of S. Quay of Pennsylvania. It is understood Burns intends calling on Quay and soliciting his advice and assistance on the suspension of the bill.

It is also said that Burns' plans are to call personally on the leading Republican members of the Senate and that his course will be largely guided by the information he obtains in that way. Those who are close to Burns say that if he finds he can be seated he will expect to be appointed by Governor Quay.

ON THE SITE OF THE BALDWIN.
A Two-Million-Dollar Hotel to Be Erected in San Francisco.

San Francisco, June 8.—A number of local capitalists have formed a corporation for building a two million dollar hotel on the site of the Baldwin Hotel at Market and Powell Streets.

In architectural beauty and interior finish it will surpass any hotel in the city. It will be eleven stories in height, the ground floor to be a series of large stores with frontage on Powell, Ellis, and Market Streets.

The intention of the building is not to have a theatre in the building. Architects have been engaged to prepare plans for the new building and that part of the work is progressing.

HALF-MILLION-DOLLAR BLAZE.
Over a Dozen Business Places Wiped Out at Augusta, Ga.

Augusta, Ga., June 8.—A fire resulting in a loss of at least half a million dollars started on Broad Street yesterday at 4 o'clock. Boiling turpentine in the Davenport & Phinney drug house caught fire, spreading so rapidly that employees had scarcely time to escape. The flames spread quickly, and a general alarm was rung in. More than a dozen business places were wiped out.

The blaze is still burning fiercely, but is under control. At one time it was thought that the Arlington Hotel and other buildings on that block would go up, and a special train was sent for the Marion department from the city about 10 o'clock.

One man was hurt by falling walls, and several were overcome by heat. A number were injured by exploding cartridges, of which thousands were destroyed in the armory, with all the local military equipment.

For the Cough Following La Grippe.
"I have used Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. Y.

"I have always used it in my own family both for ordinary coughs and colds and for the most distressing La Grippe, and find it very efficacious." Druggists are well informed as to the merits of the various cough medicines they sell, and it speaks well for Chamberlain's Cough Remedy, when druggists use it in their own families in preference to any other.

For sale by Henry Evans, wholesale and retail, 332 F Street northwest, and all druggists.

The Senators again demonstrated their superiority over the Chicago yesterday and defeated them by the score of 8 to 3. The fielding of the entire Washington team and the batting of Cassidy were the features. The locals' first baseman was at bat five times and got three hits, including a home run. Bonner also connected with the ball for a four bagger, sending the sphere into the rightfield bleachers.

Washington played like pennant winners and it was evident that the visitors were out of their class. Weyhing was in the box and he received magnificent support. Callahan twirled for the visitors and he was out of his class. Two bad errors were made behind him, that of DeMont proving costly. The little shortstop played a good game with this exception that he was out of his class.

The locals got off in the lead by scoring one in the second. In the third the visitors made two, but were overtaken in the fourth by the Chicago. The score was tied in the fifth and at another tally was made until the eighth, when the Senators by heavy batting and an error by DeMont, won the game.
